

While the debate rages leading up to the NFL Draft as to whether Tim Tebow can completely revamp his throwing motion and still be a successful NFL QB, Minnesota Vikings head coach Brad Childress reminds everyone that another QB, Aaron Rodgers, that is now arguably one of the five best in football, had similar issues not too long ago.

QB Rodgers a precedent for Tebow Posted by Chris Brown on April 3, 2010 – 8:05 am

In an interview with the Philadelphia Daily News, Childress explained Tebow's situation and how Green Bay's Aaron Rodgers made the dramatic transition that Tebow is undertaking.

Joe was keeping a running log of the trip. Here are his accounts of the last day of the journey. They raised \$120 thousand for the orphanage, which has been Shinsky's passion having been adopted as a child himself. If you wish to make a donation you can make a pledge here.

"Aaron Rodgers was a complete re-do in his throwing motion from Cal, where people didn't like his stroke and how the ball came out. And he's doing fine," Childress told the Philadelphia Daily News. "Can it be done? It can be done. It's just a matter of if you as a coach and you as a coaching staff feel like you can fix it. Beauty is in the eye of the beholder. It only takes one person to like him, and they're going to do everything in their power to make it right."

Well they did it. Joe DeLamielleure and his two college teammates John Shinsky and Eljay Bowron completed their 2,000-mile bike trek from Michigan State to Matamoros, Mexico to benefit the City of Children Orphanage. A heck of an accomplishment for three 50-somethings.

What should be noted is that Rodgers did not take the field as the full time starter until his fourth season, affording him a ton of time to not only perfect his throwing motion, but to also learn his offensive system and gain a season's worth of experience in the preseason (16 games over 4 years).

A team that won't have to throw Tebow out on the field as a rookie would be the best situation for the Gators QB to succeed. As good as even his most ardent supporters believe he is it will still take time.

OL Bruce Campbell UpgradeFAQs There has been talk of Denver Broncos Pro Bowl receiver Brandon Lloyd being on the trade block for days. We discussed it in our AFC West chat Thursday. It will remain a topic until Tuesday's trade deadline. The Denver Post reported the Broncos are considering trading Lloyd for anything ranging from a third-to-fifth-round pick. That suggests the team is very open to dealing Lloyd, football jersey maker, who had a career year for Denver at the age of 29 last season. The Broncos are thinking about the future, nfl jersey shop, so acquiring a valuable draft pick is worth investigating in the next few days.

It could also be a case of Lloyd wanting to be dealt. Lloyd would like a new contract. It is questionable whether the rebuilding Broncos will want to spend big money on an aging receiver. The Broncos have several young receivers they want to develop.

Lloyd is a product of the former regime, boston bruins hats, ccm hockey jersey, as he was brought to Denver by former coach Josh McDaniels. They had a good relationship. That's why it makes sense that a potential trading partner is St. Louis, mlb youth jerseys, where McDaniels is the offensive coordinator of the receiver-hungry Rams.

One of the teams mentioned as a possible suitor is Tennessee. Here is a report that doesn't see that deal happening, nfl jerseys cheap,

Here are two ESPN video clips that talk about the possibility of Lloyd being dealt and how it would affect new starting quarterback Tim Tebow.

Expect to hear more about a potential trade of Lloyd before the deadline. Whether it happens depends on if the Broncos decide to helping the future is more important than helping this team and whether or not a new team will want to pay Lloyd. Your Web Browser is no longer supported
